Tackle Providers

Poon Harpoons - One of the oldest tools in fishing, harpoons have a long history of landing large fish. From the days of the Nantucket whale boats to today's commercial giant blue fin tuna fishing industry, harpoons have proven themselves as an invaluable tool. And now their use is becoming more and more popular with recreational fishermen. The 'POON' is regarded as the highest quality harpoon available on the market. It has received rave reviews from shark fishermen, sword fishermen, and tuna fishermen from the East Coast to the West Coast. When it comes down to all the time and money spent fishing - and the big one is on the line - JUST STICK IT!
